Australian Tennis Legend, Neale Fraser, will join with Australian Tennis Museum Patron, Ken Rosewall, at the annual fundraising luncheon, held at Sydney Olympic Park Tennis Centre on Monday 6 May.

The Australian Tennis Museum possesses one of the largest and most significant historical tennis collections in the country. This year the museum celebrates their 30th anniversary, a historical fact in which museum Patron, Ken Rosewall is very proud.

The luncheon plays an essential part in fundraising for the continued preservation and conservation of Australia’s tennis history. The museum has recently added the Lacoste dress in which Australian favourite, Sam Stosur, won her maiden U.S. Open title in 2011. The museum’s collection also includes John McEnroe’s ATP Champions Down Under trophy and a pair of signed shoes from Pat Rafter.

Attendees are invited to view the new exhibition, “Anyone for Tennis?” Guests are then escorted upstairs where famed sporting commentator Gary Wilkinson, will lead the luncheon and an interview with Neale.

Neale Fraser was inducted into the International Tennis Hall of Fame in 1984 and Australian Tennis Hall of Fame in 1994. In 2008 Fraser was awarded the Philip Chatrier award by the International Tennis Federation.

Ken Rosewall won his first Grand Slam Title in 1953 at age 18 and was inducted into the International Tennis Hall of Fame in 1980; the Australian Tennis Hall of Fame in 1995; was the inductee to Australia’s Arena of Champions in 2009. Rosewall was also inducted as a legend into the Sport Tennis Hall of Fame in 1994. In 2008 Fraser was awarded the Philip Chatrier award by the International Tennis Federation.

For the second year MUDTA hosted this fun day in recognition of the support of our sponsors and supporters.

Twenty-eight teams of 2 players entered with a variety of abilities; some had never played, others occasional players and some even claimed to be as good as Lleyton Hewit.

In keeping with the theme of St Patrick’s Day and the Emerald Isle, players were resplendent in varying shades of green and added to the fun atmosphere. A great effort by everyone.

There were fines were those who displayed unacceptable behaviour on court as well as “2nd chance” vouchers which were the hottest purchased item, reducing the chance of losing the game by replaying the point lost previously.

Split over 7 courts, teams had an Irish name sticking with the theme of the day. Results were:

**Limericks**: Winners Maureen & Steve Mennie (The Terminators). Runners-up Francis Borg and Peter Clements (Mr G’s Deli).

**Dublins**: Winners Jennie Rutherford and Mark Bunyan (Mollymook Milk Vendors). Runners-up Lone and Riley White (Jewellery Plus).

**Ballyvaughans**: Winners Judd Salter and Francis Lim (Precision Mowing). Runners-up Pauline McIlveen and Vaughan Sansom (The Leprechauns).

**Waterfords**: Winners David Rutherford and Avan Warby (Mollymook Milk Vendors). Runners-up George Holland and Shirley/Dean Eldridge (MUDTA).

**Corks**: Winners Jo and Freddie Simon (Ebony and Ivory). Runners-up Megan and Mitch White (Jewellery Plus).

**Kildares**: Winners Val Crook and Michael Ylias (Crooked (Y)liason). Runners-up Jan Shalhoub and Allan Gilkes (MUDTA).

**Galways**: Winners Brittany Anderson and Nick Armand (Milton Village Florist) when Don Withers and Ben Van Lierop were forfeited for having two 8 love wins which wasn’t allowed in the day’s rules and regulations. Runners-up Lynne Hill and Jim Wakefield (MUDTA).

A small pot of gold and their very own rainbow, along with a Guinness and engraved MUDTA glass was awarded to all the winners for their brilliant achievements. Congratulations to all participants on the day, you are all winners!

The “Bailey’s Toss” game was won by Dennis Crimmins who shared his win with others needing a nip or 2. Prizes for the “Best Hair or Outfit” went to Megan White (Jewellery Plus) and Ben Van Lierop (Lions), Robyn Potts (Milton Florist) and Steve Mennie (The Terminators). Best “Dummy Spitters” were Karen Bashford (SCB&FS) (challenging an opponents line call—against the rules) and Vaughan Sansom (M-U Business Chamber) for creating a missile of his racket into the back fence.

A BBQ completed the day with a weary crowd enjoying the feast, complemented with a glass of wine or beer. Thanks to Bob Crook who cooked the BBQ and to all who made afternoon tea, salads and desserts. Congratulations to Bev Magee and Maureen Mennie who organized the event bringing the community together for a fun afternoon, meeting new people and enjoying social tennis. A great day was had by everyone.

In the late 1700’s, personal hygiene left much for improvement. As a result, many women and men had developed acne scars by adulthood. The women would spread bee’s wax over their facial skin to smooth out their complexions. When they were speaking to each other, if a woman began to stare at another woman’s face she was told, “mind your own bee’s wax”. Should the woman smile, the wax would crack, hence the term “crack a smile”. In addition, when they sat too close to the fire, the wax would melt…therefore, the expression “losing face”.
